

The Public Schools of Brookline

Summer Reading

Entering 2-3

Welcome to Summer Reading 2020!

Every student across the *Public Schools of Brookline* is challenged to read **five books** over the summer months. Here are the important links you need to begin!

Summer Reading List [Entering Grades 2-3](#)

This is a list of suggestions of interesting books for entering your new grade in the fall. It includes all sorts of books from chapter books to picture books, nonfiction books, books on the *Summer Math Calendar*, and more!

Summer Reading Slideshow [Summer Reading Slideshow](#)

You can learn about some of the books on the list, and see the book covers, by viewing this slideshow.

Summer Reading Challenge [Summer Reading Challenge](#)

This year the Summer Reading Form is online. For each book you read, complete the form and click submit to record your book. The Challenge goal is 27, 265 books to be read by K-8 students. Every book you read and record helps us to get to that goal!

Note to families

Below is a link to the entire PSB Summer Reading website. It provides additional resources for summer reading. [Public Schools of Brookline Summer Reading Website](#)

Happy Reading! Ms. GT
